COURT RELEASES ONLINE, INTERACTIVE PROGRAM FOR GUARDIANSHIPS

Presiding Judge Mark R. Forcum of the San Mateo County Superior Court announced today that San Mateo Superior Court has launched its fourth online help program.

The latest release helps people complete the legal forms necessary for guardianships, when relatives need legal guardianship over a child. The program asks the users questions and, based on their responses, determines which legal forms are required. The guardianship program joins a suite of other programs on the Court's award winning site for creating innovative services that help people with legal issues. The interactive program is available at www.sanmateocourt.org.
